

Council Candidate Announcement – Ward 2, Southern Victoria

I am proud to announce that I am running for Council in Ward 2 for the Village of Southern Victoria.

As a longtime resident, I truly value the strong sense of community and small-town values that make Southern Victoria such a great place to live. For the past 37 years, I have been a member of Boilermakers Local 73, working across Canada and the United States. Those experiences have given me a strong work ethic, practical skills, and a broad perspective that I'm ready to bring back home.

I have also proudly served for 13 years with the Perth-Andover Fire Department, volunteering my time to support and protect our community and surrounding areas.

I believe in an open and transparent council that works together to strengthen our community. My priorities include improving infrastructure, supporting new and existing businesses, ensuring financial responsibility, and promoting tourism in our region.

Southern Victoria has so much to offer—and even more potential ahead. If elected, I will listen, represent Ward 2 with integrity, and be a strong voice for your concerns.

I encourage you to reach out and speak with me anytime about the issues that matter to you.
