

REQUEST FOR PROPOSALS

Supply of One New Fire Department Pickup Truck

Village of Southern Victoria

1. Purpose

The Village of Southern Victoria invites proposals for the supply and delivery of one (1) new heavy-duty pickup truck for use by the Fire Department. We would like to benefit from any municipal or fire department fleet pricing that may be available to our community.

The vehicle specifications outlined below represent the Municipality's preferred configuration based on its operational requirements, specifically an F-350 Super Duty 4x4 Crew Cab equipped with an 8-foot cargo box. The Municipality will consider proposals for equivalent or superior makes and models, if proponents clearly demonstrate how the proposed vehicle meets or exceeds all minimum specifications and performance requirements identified in this Request for Proposals (RFP).

2. Minimum Vehicle Requirements

The proposed vehicle shall be new and unused and, at a minimum, include the following:

Vehicle Configuration

- Four-wheel drive (4x4)
- Crew Cab configuration
- Long box (approximately 8-foot pickup box)
- Single Rear Wheel (SRW)
- Minimum wheelbase of 176 inches
- White exterior colour

Powertrain

- Diesel engine, minimum 6.7L V8 turbo diesel or equivalent
- Automatic transmission with tow/haul mode
- Electronic locking rear differential
- Engine block heater
- Dual batteries

Capacity

- Minimum GVWR of 5,200 kg (11,499 lbs)
- Heavy-duty payload package
- Minimum fuel tank capacity of approximately 180 litres

Electrical System

- Dual alternators with combined output of approximately 400 amps or greater
- Factory-installed upfitter switches (minimum six)
- LED roof clearance lights

Interior

- Cloth 40/20/40 split bench seat or equivalent
- Air conditioning
- AM/FM radio
- Bluetooth connectivity
- Apple CarPlay and Android Auto compatibility
- Integrated hands-free communication system

Towing and Utility Features

- Integrated trailer brake controller
- Trailer towing package
- 5th wheel/gooseneck hitch preparation package
- Spray-in bedliner
- Platform running boards
- Snowplow preparation package

Wheels and Tires

- Heavy-duty all-season tires suitable for commercial service

- Full-size spare tire
- Heavy-duty steel wheels

3. Warranty

Bidders shall provide details of all standard and extended warranties available, including powertrain coverage.

4. Proposal Requirements

Proposals shall include:

- RFP Form (below)
- Manufacturer, model, and model year
- Detailed specifications
- Confirmation of compliance with required specifications
- List of any exceptions or deviations
- Delivery timeline
- Total purchase price, excluding applicable taxes
- Warranty information

5. Evaluation

Proposals will be evaluated based on:

- Compliance with specifications
- Suitability for fire department operations
- Purchase price
- Warranty coverage
- Delivery schedule
- Availability of local service and parts support

The Municipality reserves the right to accept a proposal that is not necessarily the lowest-priced submission and to reject any or all proposals.

6. Equivalent Products

Where a specific feature or configuration is identified, it is intended to describe the level of quality and performance required. Equivalent or superior products from other manufacturers will be considered. Bidders proposing alternate vehicles must provide sufficient documentation to demonstrate equivalency.

7. Deadline For Submission

Monday, September 14th, at 11:00 a.m. Submissions may be made electronically or delivered to the following:

Dan Dionne
Email: info@vilsv.ca

The Village of Perth-Andover
1131 West Riverside Drive
Perth-Andover, N.B.
E7H 5G5

8. Further Information

For additional information please do not hesitate to email us at info@vilsv.ca

Thank you in advance for your proposal.
