

My name is Miranda Francis-Perley, and I am proud to be running for councillor in Ward 3 for the Village of Southern Victoria.

I am from the Village of Aroostook, I have deep roots in this region and a strong commitment to serving the people of our communities. I previously had the honor of serving two terms as a councillor for the Village of Aroostook, where I gained valuable experience in municipal leadership, decision-making, and community engagement.

My career as a social worker has taught me to be a strong advocate for others and to use my voice to support those who may not always be heard. I carry these values with me in all aspects of my life and leadership.

I also serve as a volunteer firefighter with the Perth-Andover Fire Department. This role has strengthened my dedication to community safety, teamwork, and being there for others in times of need.

I am committed to leading with integrity, experience, and compassion. It would be an honour to serve the residents of Southern Victoria and to contribute to a strong and connected future for our community.
